

Articulation Agreement
Between
The Community College of Baltimore County
And
Coppin State University

This Articulation Agreement is made by and between The Community College of Baltimore County, with locations in Baltimore County, Maryland, and Coppin State University, 2500 W. North Ave. Baltimore, MD 21216.

WHEREAS The Community College of Baltimore County and Coppin State University recognize the need and importance of facilitating the transfer of students from The Community College of Baltimore County to Coppin State University as these students pursue their educational goals, and

WHEREAS The Community College of Baltimore County and Coppin State University recognize that to enhance this transition, a formal articulation agreement between The Community College of Baltimore County and Coppin State University should be established, and

WHEREAS The Community College of Baltimore County and Coppin State University have conducted a thorough review of the curricula at The Community College of Baltimore County and Coppin State University in the Health Informatics and Information Technology/Health Information Management programs,

Now, **THEREFORE**, in consideration of the mutual promises and conditions herein, the adequacy of which is hereby acknowledged, The Community College of Baltimore County and Coppin State University hereby agree as follows:

The following general principles guide the operation of this Agreement:

1. The program is designed for students in pursuit of the Associate of Applied Science degree Health Informatics and Information Technology. A maximum of 70 credit hours from The Community College of Baltimore County (CCBC) will be allowed toward fulfillment of Baccalaureate completion.
2. All course credits as delineated in the attached articulation plan will be accepted as transfer to fulfill Coppin State University requirements for the Bachelor of Science degree in Health Information Management. Only courses in which the student earns a grade of "C" or better are eligible for transfer.
3. Students must maintain a 2.5 cumulative grade point average in order to transfer.
4. Credits earned from non-direct classroom instruction (including CLEP, AP, and other nationally recognized standardized examination scores) are included in the maximum of 70 credits that will be accepted by Coppin State University toward degree requirements. A qualifying score is determined by Coppin State University, and students must submit original test scores/results to Coppin State University. Coppin will also accept CCBC Articulated High School Transcribed Credits where students received a grade of "B" or better. These courses are also included in the maximum 70 transfer credits.

5. Students intending to transfer should complete the admission application for Coppin State University following the third semester of their Associate Degree program. Coppin will waive the application fee for CCBC students that indicate their Associate Degree seeking status on the application form. Students should contact the Financial Aid Office at Coppin State University as soon as possible with regard to college deadlines for financial aid.
6. The Community College of Baltimore County students who complete the Associate of Applied Science degree in Health Informatics and Information Technology will be given every consideration for financial assistance and will be eligible to compete for academic scholarships at Coppin State University.

Scholarships: Students transferring from CCBC to Coppin may be eligible for the Maryland Community College Transfer Scholarships offered by Coppin. Scholarships include, but are not limited to:

Dear Nicole Zairi,

Coppin State University is pleased to inform you that we continue to accept applications for the Fall 2015 semester. Coppin is committed to providing community college students with an opportunity to continue their educational goals and earn a bachelor's degree.

We recognize that scholarships play an important role in higher education, often allowing students opportunities they may not have otherwise. Each year Coppin State University honors community college students who have distinguished themselves through outstanding academic achievement and personal excellence. Currently, Coppin has the following transfer scholarship opportunities available for the Fall 2015 semester:

Award Amount	Enrollment	GPA Requirement	Credits	Availability
\$3,500 annual	Full-time	3.0 GPA	60 credits or more	20 scholarships
\$2,000 annual	Full-time	2.5 GPA	45 credits or more	30 scholarships
\$1,000 annual	Part-time	3.0 GPA	60 credits or more	20 scholarships

Coppin State University is dedicated to providing students with an affordable and seamless pathway from your community college to our university. We know that your students possess the academic skills and competitiveness needed to be successful at Coppin and we would like to partner with you to identify eligible students that can benefit from this opportunity. Please share this information with any and all students who are ready to make the transition to Coppin.

Starting in Fall 2015, Coppin will begin developing reverse transfer agreements with a number of community college partners. In the next few weeks we look forward to scheduling a meeting with you to discuss the development of a reverse transfer articulation agreement. Should you have any questions, please contact the Office of Transfer and Transition Services at 410-951-6307 or transfer@coppin.edu.

Sincerely,

Deborah Childs
Assistant Director of Recruitment
